

Harry Tsai, MD

Board Certified Urologist and Diplomate of the American Board of Urology

Harold Tsai, M.D. graduated with honors from the University of Chicago and then received his medical degree from Rush Medical College in Chicago, Illinois.

Dr. Tsai completed his Urological Surgical residency at the Montefiore Medical Center and Albert Einstein College of Medicine in the Bronx, New York. He was then a Urological Oncology Fellow for two years at Memorial Sloan Kettering Cancer Center in New York, New York. He has published several papers on kidney and prostate cancer along with presenting multiple podium and poster sessions at the annual American Urological Association meetings.

He has clinical interests in all aspects of urological cancers and also evaluation and treatment of benign prostate diseases, kidney stones, urinary incontinence, overactive bladder, erectile dysfunction, and low testosterone. He performs laparoscopic surgery and cryoablation for kidney tumors and also prostate cryoablation for patients who have failed radiation treatment. He has performed many botox injections for patients who have frequency, urgency and incontinence. Dr. Tsai also offers urethral bulking for patients who have persistent urinary incontinence and also performs no-scalpel vasectomies.

Dr. Tsai has a special interest in sacral neuromodulation (Interstim[®]) for patients who have overactive bladder and neurogenic bladder. He has extensive experience with surgery for all urological cancers, including kidney, bladder, prostate and testicular cancer.
